## Administrative history / Biographical sketch

---

### Note

Hubert Norbury was born in 1897 in Liverpool, England to Frank Herbert Norbury (1871-1965) and Flores Ethel Fall (1872-1953). Frank was born in Liverpool and after secondary school attended the Liverpool City School of Art, the Lambeth Model School, and the School of Art, Architecture, and Applied Art at the University of Liverpool. From 1893 to 1900 Norbury taught at the University of Liverpool, and from 1900 to 1914 had a private carving practice. On 10 June 1896 Norbury married Fall, who was also from Liverpool, and was a pianist and composer. Together they had two children, Hubert and Esma.

---

## Scope and content

---

The fonds consists of materials documenting Hubert Norbury's work as an architectural photographer for Farmer Construction after his retirement from the Navy in 1958 to circa 1965. Norbury's photographs display the complete construction process, from bare ground to finished building. Also included is a folder of personal papers and photographs.
