Summary information

Repository: University of Victoria Special Collections and University Archives

Title: Western Canada Wilderness Committee, Victoria Branch fonds

Reference code: AR241

Date: 1975 - 2011 (date of creation)

Physical description: 60 cm of textual records;27 photographs;45 posters

Administrative history / Biographical sketch

Note

The Western Canada Wilderness Committee is a non-profit environmental society working for the preservation of Canadian and international wilderness through research and education. Date of opening of Victoria Branch is unknown.

Scope and content

Fonds consists of the research files of the Victoria branch office, including project files, subject files, and posters.. The project files include reports, correspondence and newsclippings on: Carmanah, Kitlope, Khutzeymateen, Meares Island, South Moresby, Strathcona, Tatshenshini, Tsitika-Robson Bight. The subject files include the following titles: Forestry, Bears, Environment, Fisheries, Parks (Sooke), Pollution, and Water (G.V.W.D.).
