Eileen Kenwood fonds

1. Fonds-level description

Title

Eileen Kenwood fonds

Dates

1961-1991

Extent

52 cm of textual records

Biographical sketch

Eileen Kenwood was an active member of the Victoria Voice of Women who was interested in global peace and environmental issues. She developed research files, and collected a wide variety of newsletters and pamphlets by various peace and environmental organizations.

Scope and content

Fonds consists of research files arranged in alphabetical order; a selection of file titles includes: Alternate energy, Clayoquot Resource Centre, Dube Symposium, Insecticides, Military, Seed banks, Tooth survey form, UVic-- Dangerous organisms, and Voice of Women. The newsletters and pamphlets have been transferred to the Voice of Women pamphlet collection.

Notes

Acquired from Eileen Kenwood, October 1996.
