**1. Greater Victoria Water District reports:
prepared by the UVic Biology Department
UVic Studies 910402 - 950131**

- 98-072.26 UVic Study 910402: Catalogue of historical chemical and physical data: GVWD reservoirs, lakes, rivers and streams, pre-1989. 1994.
- 98-072.27 UVic Study 010402: Catalogue of historical chemical and physical data: GVWD reservoirs, lakes, rivers and streams, SEAM data, non GVWD data, 1960s-70s. 1994.
- 98-072.28 UVic Study 910403: Catalogue of GVWD phytoplankton and periphyton species: master species list and unique identification codes, 1991, 1993. 1994.
- 98-072.29 UVic Study 910404: Surrogate stream trough study phase 1: Land use practices and Rithet Creek water quality: implications for Sooke Reservoir nutrient loading. 1994.
- 98-072.30 UVic Study 910404, Appendices A-B: Surrogate stream trough study phase 1: Land use practices and Rithet Creek water quality: implications for Sooke Reservoir nutrient loading. 1994.
- 98-072.31 UVic Study 910404, Appendices C-H: Surrogate stream trough study phase 1: Land use practices and Rithet Creek water quality: implications for Sooke Reservoir nutrient loading, 1994.
- 98-072.32 UVic Study 910405: Catalogue of historical chemical and physical data: GVWD reservoirs, lakes, rivers and streams, 1985. 1994.
- 98-072.33 UVic Study 910406: Catalogue of GVWD phytoplankton and periphyton species: master species list and unique identification codes, 1987-90. 1994.
- 98-072.34 UVic Study 920101: Catalogue of pre-1988 water samples collected within GVWD lakes and reservoirs and stored by the GVWD. 1994.
- 98-072.35 UVic Study 920102, with Appendices A-B: Assessment of historical GVWD phytoplankton samples: water quality implications, 1967, 1973-74, 1976-77, 1985, 1992. 1994.
- 98-072.36 UVic Study 920102, Appendices C-E: Assessment of historical GVWD phytoplankton samples: water quality implications, 1967, 1973-74, 1976-77, 1985, 1992. 1994. (92 photos)

- 98-072.37 UVic Study 920102, Appendix F: Assessment of historical GVWD phytoplankton samples: water quality implications, 1967, 1973-74, 1976-77, 1985, 1992. 1994.
- 98-072.38 UVic Study 920204: Catalogue of algal periphyton species within surrogate stream troughs: Humpback Reservoir facility, 1984, 1987-88. 1994.
- 98-072.39 UVic Study 920205, with Appendices A-D: Surrogate stream trough study phase 2: use of surrogate stream troughs to assess periphyton response to nutrient loading: water quality implications. 1994.
- 98-072.40 UVic Study 920205, with Appendices E: Surrogate stream trough study phase 2: use of surrogate stream troughs to assess periphyton response to nutrient loading: water quality implications. 1994.
- 98-072.41 UVic Study 920205, with Appendix F-H: Surrogate stream trough study phase 2: use of surrogate stream troughs to assess periphyton response to nutrient loading: water quality implications. 1994.
- 98-072.42 UVic Study 920206: Surrogate stream trough study phase 2: use of surrogate stream troughs to assess periphyton response to nutrient loading from harvested forests. 1994. (92 photos)
- 98-072.43 UVic Study 920503: Periphyton biomass accrual in Sooke and Deception Reservoirs: use of periphyton to indirectly assess nutrient loading. 1994. (112 photos).
- 98-072.44 UVic Study 930201: Catalogue of historical phytoplankton and periphyton data obtained from GVWD aquatic habitats, 1974-76. 1994.
- 98-072.45 UVic Study 930209: Catalogue of historical phytoplankton and periphyton data obtained from GVWD aquatic habitats, 1973-77. 1994.
- 98-072.46 UVic Study 930310: Catalogue of GVWD phytoplankton and periphyton species: historical master species list, 1988, 1991. 1992.
- 98-072.47 UVic Study 930302: Catalogue of historical phytoplankton and periphyton data obtained from GVWD aquatic habitats, 1967-76, 1983-85, 1988. 1994.
- 98-072.48 UVic Study 930308: Catalogue of phytoplankton photographs and line drawings for algae encountered in GVWD aquatic habitats. 1994. (8 photos)
- 98-072.49 UVic Study 931207, with Appendices A-D: Periphyton biomass accrual: Begbie and Con Lakes and North Basin, Sooke Reservoir: use of periphyton to indirectly assess nutrient loading. 1994. (80 photos)
- 98-072.50 UVic Study 950103: Surrogate stream trough study phase 2: nutrient- and light-limited periphyton development in shaded and unshaded sections of a coastal watershed stream. 1995.

98-072.51 UVic Study 950131: Surrogate stream trough study phase 2: importance of velocity, nutrient flux and N:P ratios in structuring periphyton communities within outdoor, experimental stream-troughs. 1995.

**2. CRD Monitoring data: Sampled by CRD and
analyzed by UVic Biology Department**

98-072.52 CRD Phytoplankton monitoring data obtained from Greater Victoria Water District aquatic habitats -- Phytoplankton count sheets 1967-85; 4 Apr 1989 - 27 July 1989.

98-072.53 CRD Phytoplankton monitoring data obtained from Greater Victoria Water District aquatic habitats: Ark con and Low Lake -- Phytoplankton count sheets F00001 to F00203, 9 Oct 1986 - 14 June 1988.

98-072.54 CRD Phytoplankton monitoring data obtained from Greater Victoria Water District aquatic habitats -- Phytoplankton count sheets H00001 to H00009, 1967, 1974, 1976-77, 1985; and A00001 - A00169, 6 Apr - 23 Aug 1989.

98-072.55 CRD Phytoplankton monitoring data obtained from Greater Victoria Water District aquatic habitats -- Phytoplankton count sheets A00170 - A00269, 28 Aug 1989 - 17 Apr 1990.

98-072.56 CRD Phytoplankton monitoring data obtained from Greater Victoria Water District aquatic habitats -- Phytoplankton count sheets A00270 - A00370, 17 Apr - 25 May 1990.

98-072.57 CRD Phytoplankton monitoring data obtained from Greater Victoria Water District aquatic habitats -- Phytoplankton count sheets 000001 - 000127, 28 May - 25 June 1990.

98-072.58 CRD Phytoplankton monitoring data obtained from Greater Victoria Water District aquatic habitats -- Phytoplankton count sheets 000128 - 000397, 25 June 1990 - 30 May 1991.

98-072.59 CRD Phytoplankton monitoring data obtained from Greater Victoria Water District aquatic habitats -- Phytoplankton count sheets 000398 - 000590, 30 May - 22 Oct 1991.

98-072-60 CRD Phytoplankton monitoring data obtained from Greater Victoria Water District aquatic habitats -- Phytoplankton count sheets 000593 - 000734f, 24 Mar - 23 July 1992.

98-072.61 CRD Phytoplankton monitoring data obtained from Greater Victoria Water District aquatic habitats -- Phytoplankton count sheets 000593 - 000747, 24 Mar - 18 Aug 1992.
